

YORK TOWNSHIP TRUSTEES

Colene Conley
Special Meeting

Richard Monroe

William Pavlick
November 24, 2010

Chairman Bill Pavlick called the meeting to order at 6:00 p.m.

Present: Trustees: Colene Conley, Rick Monroe and Bill Pavlick; Fiscal Officer Bev Fry and Don Weiland

Rick had talked with Lorain-Medina Rural Electric (LMRE). There had been some confusion as to whether it is First Energy or LMRE at the intersection of the Emerald Woods Entrance and Erhart Road. Don Weiland met with an engineer at the intersection this morning from LMRE. There was discussion where the poles are as to which belong to First Energy and which to LMRE. The east side is First Energy and the west side is LMRE. The engineer, Kevin, made it sound questionable as to whether LMRE would put up a pole. Rick will get in touch with Kevin to see what needs to happen to get the light up.
