

YORK TOWNSHIP TRUSTEES

Colene Conley
Special Meeting

Richard Monroe

William Pavlick
April 10, 2011

The special meeting was called to order by Vice Chairman Colene Conley at 10:00 a.m. at the corner of Wolff Road and Pioneer Way. Present: Trustee Colene Conley; Contractor Don Dobson and Stormwater Engineer Michael Menoes, PhD.

Trustee Rick Monroe joined the meeting at 10:15 a.m.

A review of the road ditch at property addresses 2975 Pioneer Way and 6454 Wolff Road took place. Mr. Dobson and Mr. Menoes both agreed that an enclosure would be a solution with a 6" tile covered with stone, then dirt and shaped with a swale. The driveway culvert at 6454 Wolff Road will need to be lowered. If the enclosure is continued south past the concrete drive at 2975 Pioneer Way, the concrete drive would need to be saw cut.

The trustees then continued down Wolff Road to property addresses: 7360 and 7384 Wolff Road. The stream culvert by 7360 Wolff Road belongs to the Medina County Engineer and they will be notified to add more rip rap to the ends of the culvert. According to Mr. Dobson, he was contacted to give a price to the homeowner at 7384 Wolff Road to replace the driveway culvert, but at the time the homeowner chose not to replace it. This homeowner will be put on notice from the Township that it is now imperative to replace it.

RESOLUTION #11-04-01 – Adjourn

Moved by Monroe, second by Conley to adjourn the meeting at 11:30 a.m. Roll: Monroe, yes; Conley, yes.

Richard Monroe, Chairman

Colene Conley, Vice Chairman
