Colene Conley  
Special Meeting

Richard Monroe

William Pavlick  
July 11, 2013

The York Township Trustees, Bill Pavlick, Rick Monroe and Colene Conley, along with Fred Boreman met in session at 6:00 p.m. on July 11, 2013. One Resident was in attendance with questions concerning an ash tree in the right-of-way on his property.

Fred Boreman updated the board on the Spellman-Indoe paving project. The concrete will be brought out to meet the pavement along Rt. 18, Norwalk Rd. Columbia Rd. will be paved from State Rt. 42, Lafayette Rd. to Smith Rd. this summer. The County will then skip from Smith Rd. to Branch Rd. to pave up to State Rt. 18. The reason for this is because the Engineers office will be improving the grade between Smith and Branch Rds. The County will then come back in 2014 to pave Columbia Rd. from Smith Rd. to Branch Rd. The intersections of Stone Rd. and Branch Rd. will each be pushed back 35' for intersection improvements and enhancements. These projects are being subsidized by the State of Ohio through NOACA, the Northeast Ohio Area Coordinating Agency.

Trustees then left together with Fred Boreman to ride the 23 miles of township roadways to obtain addresses of dead and dying ash trees. Branch Rd. and Bachtell Rds., looking East – need to trim back brush.

The meeting adjourned at 8:15 p.m., after returning from ash tree review.
