

<b>YORK TOWNSHIP TRUSTEES</b>		
Colene Conley Regular Meeting	Richard Monroe	William Pavlick August 22, 2013

Chairman Bill Pavlick called the regular meeting to order at 6:30 p.m. He led the pledge of allegiance.

**RESOLUTION #13-08-01 – Approve Minutes**

**Moved** by Conley, second by Monroe to approve the minutes of the July 25, 2013 regular meeting and July 11, 2013 special meeting with the correction of 6265 Wolff Road having a dead ash tree also which needs added to the list. Roll: Conley, yes; Monroe, yes; Pavlick, yes.

**Fiscal Officer:**

**RESOLUTION #13-08-02 – Approve Financial Statements**

**Moved** by Monroe, second by Conley to approve and accept the financial statements for July – appropriation status, revenue status and fund summary. Roll: Monroe, yes; Conley, yes; Pavlick, yes.

**RESOLUTION #13-08-03 – Approve Appropriation Amendments**

**Moved** by Monroe, second by Conley to approve the following appropriation amendments:

Zoning Fund:	Personal Services	<u>\$6,200.00</u>
	Total:	<u>\$6,200.00</u>

Roll: Monroe, yes; Conley, yes; Pavlick, yes.

**RESOLUTION #13-08-04 – Approve PO's/BC's, Payment of Bills and Payroll**

**Moved** by Conley, second by Monroe to approve purchase orders, the payment of the payroll and bills (Item A). Roll: Conley, yes; Monroe, yes; Pavlick, yes.

**Correspondence:**

- Ohio Insurance Services – General Info
- Health Dept. – Wastewater Treatment Inspection Report
- Medina Co. Engineer – Annual Meeting
- Medina Co. San. Engineering – Water Meter Replacement Program
- Ohio EPA – Notice of Violation to French Creek Bioenergy

**Visitors:**

- Tracy Mueller of Bent Oak Circle was present to voice her concern with the neighbor shooting skeet on his property. Rick reaffirmed from their conversation that the township can't do anything except to refer them to the sheriff's department. She has contacted the sheriff, state rep and others. They have found fragments in a neighbor's yard.
- Jack Chambers of Stillwater Drive asked how it can be allowed to shoot into a zoned residential area. Colene and Rick again said they can't do anything because the Ohio Revised Code doesn't allow for them to pass any laws.
- Karen Holler stated that Tracy has not contacted them. They spoke with each other and the trustees stopped the conversation since it is between them not something that should be "aired" at the meeting. Karen stated she wished the Mueller's would have spoken with them and it not have gotten this far. Karen stated they had no proof it was them.
- Denise from the Co. Auditor's Office was present to state that the reappraisal letters will be going out. If anyone wishes to question their property, there will be meetings.
- Jack asked about Spieth and Abbeyville and making it a 4-way stop. The County would dictate that. Jack will contact the Co. Engineer.
- Retention pond at 5455 Spieth Road – has a big dip in the road. Is the culvert ok? It was reviewed by a consultant of ours and at that time it was ok. The trustees will look at it again.

### REPORTS:

#### Zoning:

- Dorothy gave her report as attached (Item B).
- FYI: There will be a memorial held at the grave for Opplinger on August 30, 2013, but no actual burial. The family will be taking the ashes with them to California.
- Site review for Welco: Bob Gardner is going in with Welco Lumber to sell and distribute interior building products. They will be using the current buildings for now and having an office in the house. There were questions regarding future employees and where would they be. Chief Barrett stated that the current three buildings are for storage only. If an office or sales counter were to go in one of the buildings it would be rated different.
- A Stone Road resident called regarding how you know the restricted hours for the school zone since it is not posted on the sign. Dorothy will tell her to call ODOT. The trustees stated the same was true on Wolff Road when you come out of Buckeye. Ken Barrett asked why there are no blinking school signs on Wolff Road for the kids crossing to the Library. When ODOT is called, they will be asked about that also.
- Dave Hull said he contacted the school last spring regarding the stop sign that is at an angle such that it looks like it is a stop sign for Columbia.
- Colene asked the trustees about calling the County for having a crosswalk put in on Wolff Road by the Library. They agreed that would be a good thing.

#### Fire Dept:

- Chief Barrett gave the trustees a copy of the monthly report. There was a head-on accident two days ago on Erhart Road south of S.R. 18. One walked away and one is in critical condition. I want to remind everyone to be safe with school back in session.
- We were at the school last week to review the fuel pumps and buses for any issues that may come up.
- We will have a firefighter course this fall in conjunction with Litchfield Township. We should be able to do it for under \$50 per student because of donated instructor time when it usually is over \$750.
- We received our request from Buckeye for the squad to be on hand for varsity soccer and football games.
- Fire hydrant testing will begin next week in the township as well as hose testing.
- We are looking into changing our software from Firehouse to EMS Charts and Fire Programs.
- We ordered our new AED and some medical supplies which have arrived. I will be submitting it to the state for reimbursement on a grant.
- We will be submitting a grant this year for two thermal imaging cameras. We will also be submitting for a vehicle to replace the water truck.
- We viewed our new truck at Sutphen on Monday. Delivery is expected by October 1<sup>st</sup>.

#### Visitors, cont'd:

- Renee Posa, Bent Oak Circle – We moved in 2-1/2 years ago. The gentleman behind us is shooting and our house has gotten hit. Pellets have hit our roof. My husband has contacted the sheriff. You can't see the backstop unless you go way to the back. It is legal, but one is responsible for what goes beyond. His backstop is about 30 – 40 yards from our property line and our house is 70' from the line. We were trying to work with him and now the phone calls have stopped. I don't feel safe. We can't wait for one of our kids to get hurt. Bill stated that Captain Centner would like to meet with the involved parties in a neutral zone. We have offered the use of the station.
- Karen Holler told everyone she was sorry about this.

### **Trustees:**

#### **Richard Monroe:**

- Spellman/Indoe Project: 95% complete. This coming Monday they will hand pour the rest of the road to tie into S.R. 57 as well as the sidewalk and side drains. It is already tied into S.R. 18.
- Dan Becker from the Engineer's Office has checked out the flooding at 7024 Spieth Road. I have pictures of over 2' of standing water. He has not gotten back yet.
- I met with Alan Beal of ODOT on August 6<sup>th</sup> and Matt Simon to discuss the flooding here in Mallet Creek. Fred Boreman also was present. The state will look at things and would like to have an Engineering Firm do an analysis. ODOT is hiring Richland Engineering to do an analysis of all of downtown Mallet Creek. I've asked Matt Simon about jetting out the pipes. They were out on the 16<sup>th</sup> jet-vacking the system. It is a new truck that ODOT has. It will take about 2 – 3 days and then bring a piece of equipment to clean out the ends. Mr. Beal liked the pictures we had for him.
- I have asked Mr. Beal to look at the timing of the traffic light because of the traffic delays we have had. We want to be sure the loops are working that sense the traffic. He is hoping to have a plan by the beginning of next month.
- Mr. Beal said that with the traffic counts they have already warrant a turn lane, but with the funding, that won't happen here at S.R. 57 and S. R. 18.
- ODOT put up their signs regarding "No Thru Traffic" at S.R. 57 and Spieth Road two weeks after the county put them up for us. We want our signs back from ODOT the County put up.
- I think we all received calls regarding the sludge at the Marks/Fenn Road; Hastings/RoyalBrook area. Colene stated the EPA went out and put out a cease order.
- I called Federal Signal. Dan Bodette should be out shortly to look at the siren here at the station. Ken asked about the siren study and did it include keeping this one? Rick will check with Dan.
- I want to thank Bill for coming up here for the porta pot situation earlier this month.
- I spoke to Tom James regarding tree trimming on the Rail Trail. Tom had been out there earlier and trimmed, but will check it again.
- Spellman/Indoe Project: I'm going to throw out the idea of making it a one-way street. Just think about it.

#### **Colene Conley:**

- I was contacted by Sweet Lawns last week to come to the cemetery last week to look at how short the lawn is being cut leaving clumps of grass and cutting in grooves by the headstone. There was a bush that was so large it covered a pretty large headstone. We met down there at 5:30 this evening to view it.
- Colene thanked Rick about speaking with Mrs. Mueller while on vacation. OTA does have it on their agenda for legislation when back in session.
- I've checked the playground equipment for the openings. Each section appears to be age appropriate with some having large openings for things like the pole. There are sections that even have signage regarding age.
- I've been stopped by several residents regarding the garage doors showing that the other doors on the station looking "pink". Mazco will paint it for approximately \$500.00. It does need to be power washed. Rick asked about the hand railings being painted.
- Colene asked Bill to have Mr. Adamsky not only trim the bushes in front of the Town Hall, but dig out the tree there as well as the 4 – 5 trees by the west end of the station. Ken said there is poison ivy growing out of the bush by the aerial truck door.
- We will find out about the ash tree grant by September 30<sup>th</sup>.
- I saw the Zywiec family that was doing the roof. The roof looks good on the Town Hall.

**YORK TOWNSHIP TRUSTEES**

Colene Conley  
Regular Meeting

Richard Monroe

William Pavlick  
August 22, 2013

- The Medina Co. Twp. Assoc. was here for the August steak fry. We had people from the state here as well as the Commissioners, other Co. Employees and they all liked our park.
- Can we set the Halloween date now? October 31<sup>st</sup> will be the date.

**RESOLUTION #13-08-05 – Set Halloween Date**

**Moved** by Conley, second by Monroe to have Halloween from 6:00 – 8:00 p.m. on Thursday, October 31<sup>st</sup>. Roll: Conley, yes; Monroe, yes; Pavlick, yes.

**William Pavlick:**

- I spoke with Tom Croston. He did the weed wacking at our guardrails. He began the roadside mowing on Tuesday.
- I met with Bob Adamsky here to review our areas of concern. I will arrange another meeting with him to see if we can resolve them.
- The new roof is on the Town Hall and it looks nice. Dave told him there was an issue with the downspout since someone nailed it to the structure, which probably caused our leak issues. I will call the insurance company for the 10% held back.
- I met with Medina Fence for the area of concern on Spellman. Rick continued to get complaint calls from the resident. The fence looked good to me. I met again last Saturday. Medina Fence showed where a lawn mower had hit the fence. The resident is still not happy. Medina Fence did do a good job, so Bev, please mail the check.

**Rick Monroe, cont'd:**

- It's time to advertise for snow removal bids. After discussion, it was decided to have Bev open them on Sept. 19<sup>th</sup> so she could make copies of the bids that were submitted for the trustees so they had time to review prior to September's monthly meeting.

**RESOLUTION #13-08-06 – Advertise For Snow Removal Bid**

**Moved** by Monroe, second by Conley to advertise for snow removal with a bid opening on Thursday, September 19<sup>th</sup> at 10:00 a.m. Roll: Monroe, yes; Conley, yes; Pavlick, yes.

**Comments/Concerns:**

- Ken asked that we send a check for \$200,000 to Sutphen. Bev has medical issues to address and couldn't cut a check before September 3<sup>rd</sup>. With delivery by October 1<sup>st</sup>, Ken stated that we'll just pay the balance then. Bev stated that had she known this morning, she could have had the check for tonight.

**RESOLUTION #13-08-07 – Adjourn**

**Moved** by Monroe, second by Conley to adjourn at 8:04 a.m. Roll: Monroe, yes; Conley, yes; Pavlick, yes.

Case management was cancelled due to court house repairs. Mr. kerns spoke to Tom Karris and a referee no agreement could be met. A mediation session was held on 8/14/13. The Kerns agreed to try to work out a plan before October 9, 2013 the next mediation. A hearing is scheduled for October 21, 2013</i></p>
<p>*Shawn McGreer 7100 Elyria Rd.</p>	<p>Junk, junk vehicles, not in compliance with site plan, &amp; needs landscaped by road. Violation sent 5/17/12 Eric Coyne came in and Shawn M. had sent him they are beginning to clean and I will meet with him Tuesday 5/29/12 to see if there is progress. If there is no progress made and it continues until in compliance it will be sent to the Prosecutors Office without question. No other notice will be sent. Due to past history. Site visit 6/25/12 .Sent to Prosecutors Office for further assistance after site visit on 9/4/12 Notified Mr. McGreer . Faxed Prosecutor and asked for update 10/24/12 Site visit 10/22/12 working on it but not moving very fast said he (E.Coyne) would have it mulched last week not done. A case management conference has been scheduled for Dec.20, 2012 at 10:00 AM Asst. Prosc Tom Karris and I went to a case management conference with Mr. McGreers attorney R. Jones. We will return in 90 Days with more information and Mr. Karris will try to obtain depositions from persons involved. Status hearing was held April 4, 2013 9 a.m. their attorney agreed to depositions. <i>Scheduled late May. A deposition with Eric Coyne was held at the Prosecutors Office 5/23. Hearing scheduled for 11/19/13</i></p>
