

**YORK TOWNSHIP**

**Special Meeting April 2, 2019**

Trustees – Chairman William Pavlick, Richard Monroe, Todd Zieja  
Fiscal Officer Margaret (Peggy) Russell

William Pavlick called the special meeting to order at 2pm to discuss Healthcare options for the Township. Michelle Crockett from Burnham and Flowers explained the various options they can offer for Elected Officials and for the full-time employee, Dorothy Crouch. Discussion ensued about Healthcare cost and how we might lower rates. The Healthcare information application, Form Fire, will need to be transferred to Burnham and Flowers to see if more competitive pricing is available. Fiscal Officer Russell will facilitate that process. After receiving Form Fire Michelle will send us updated information regarding pricing options for the township.

Trustee Zieja made the motion to adjourn, second by Trustee Monroe. Meeting adjourned 2:50pm.
