65 Residents

Chairman Todd Zieja called the meeting to order at 6:30 p.m. and led the pledge of allegiance. Trustee Zieja stated the meeting is being recorded for transcription purposes only.

Approval of Minutes

Approval of Minutes – **Moved by Trustee Pavlick, second by Trustee Monroe to approve the Regular Meeting January 23, 2020** Roll: Monroe, yes; Pavlick, yes; Zieja, yes.

Invited Guests –

Sheriff's Office – Sargent Pries requested time before the assembly to announce the sheriff's department is starting intersection initiatives, where in partnership with the Highway Patrol they will look at troublesome intersections in Medina County. Abbeyville and Spieth will be patrolled more closely especially as the weather breaks and schools let out. Anytime residents have questions for the Sheriff's office they should contact the office and ask, for any concerns, even if they do not seem significant. He thanked the audience for allowing him to speak.

Auditor's Office – March Announcements from Judy Rodgers. March is Weights and Measures month. Gas stations, grocery stores will all be inspected. If anyone sees any machine they feel is not working properly, they should contact the county auditor's office.

Property appeals are still underway until March 31, 2020.

Scholarship Applications to award five Medina County High School Seniors with scholarships from the County Auditor and are due in the Auditor's office by March 20, 2020.

Fire Department – Lt. Dan Sparks filled in for Chief Barrett who was unable to attend due to other work responsibility. Lt. Sparks recommended the hiring of Alex Colon for the position of Firefighter /EMT. He is currently a Fire Fighter 2 and Paramedic in Parma, and lives in Litchfield.

RESOLUTION #20-02-01 Hire Alex Colon for Firefighter/EMT. Moved by Trustee Monroe, second by Trustee Pavlick . Roll: Monroe, yes; Pavlick, yes; Zieja, yes.
Trustee Monroe did the swearing in.

Trustees approved a new application for employment designed by Assistant Chief Creamer with updates for additional space for relevant history, and removal of felony questions to adhere to employment law.

Regular Meeting February 27, 2020

Trustees – Chairman Todd Zieja, William Pavlick, Richard Monroe,
Fiscal Officer Margaret (Peggy) Russell

MARC's Grant – Trustees signed approval form for \$48,994.00 MARC's Grant for Fire Department for new radio's. Chief Barrett has acquired over \$900K in grants during his tenure as Fire Chief for York Township. Thank you to the Chief for his significant contribution to funding for equipment and communications.

Rolling Thunder – Betty Blackmore, President of the local chapter of Rolling Thunder requested permission from the Trustees to come clean the stones of the Gold Star Memorial once the weather breaks. Dorothy will be contacted with a date, and water will be available to wash up. She also asked the trustees to convey to the lawn maintenance personnel to please get a little closer for weed-wacking around the site. Our goal is to have a lovely, well-maintain site for those who come to visit and honor friends and family who have sacrificed for our country. Trustee Zieja thanked them for their time and effort. Trustee Pavlick stated we will be replacing the mulch with gravel, and this should help with maintenance. He also stated we are working on a security system for the memorial.

Chili Cook-off to benefit Rolling Thunder – March 8, 2020 at the VFW in Brunswick to raise funds for Veteran. \$10 at the door, \$7 in advance. Chili entries welcomed, or just come and sample the contenders' offerings. Basket Raffle for \$200 in Keller's Meats Gift Certificate available.

Town Hall, Zoning, Cemetery- Census Information – Dorothy presented the Boundary and Annexation Survey for the 2020 Census to be signed by Chairman Zieja.

4380 Block of Abbeyville – Mr. Ziegler requests permission to farm the land on this block as he has in the past. He sent a letter to the township which Trustee Zieja will have Dorothy send it to the prosecutor's office on Monday to have them look it over.

Brick Paver for Gold Star Monument – we need to have a process in place for people who would like to add to the engraved pavers at the Gold Star Memorial. We have persons asking.

Township Clean-up – Dorothy asked about the annual Township Clean-up Day. Trustee Pavlick responded this year we will issue vouchers. Residents should come to the township office where a voucher will be issued for individuals to take materials usually taken at clean up day to the Solid Waste Facility where they will receive a discounted fee.

Cemetery Clean-up – Usually completed during the second week of March. We will put it on the sign out front. Clean up will happen around March 14-15 weather permitting. A resident asked if the new sign with the cemetery rules had ever been posted. Yes, a couple years ago, when the cemetery rules were changed.

Dorothy received a complaint about the snow plow picking up Rip-Rap and pushing it to the hill on Abbeyville and Wolff. Damages done by snow plowing are the responsibility of the Plowing company to repair. The new bike sign placed last year hinders the sight distance on the hill for Mr. Porter in his truck.

Trustees – Chairman Todd Zieja, William Pavlick, Richard Monroe,
Fiscal Officer Margaret (Peggy) Russell

Medina Signs – The sign on the east side of the building has sun/water damage. Dorothy asked Carl May from Medina Signs to give an estimate to replace sign and put new letters on. The estimate was \$537.00.

Motion by Trustee Monroe, second by Trustee Pavlick to replace sign and letters for \$537.00 by Medina Sign. Roll: Monroe, yes; Pavlick, yes; Zieja, yes.

Trustees

Trustee Pavlick – John Kollar attended the storm water urban area meeting as York Township's representative.

Road Striping – Contacted Duromark and Aeromark for two bids to stripe township roads this summer. We like to do this every three years, and we are currently on year four.

Grant for Security System for Gold Star Memorial – Contacted Steve Hambly's office about getting a grant we applied for the security system, but have not heard anything back yet. Hambly's assistant will let us know when they have ore information.

Trustee Monroe – Thanked township for sending him to the OTA. Enjoyed good seminars all day long.

Wolff Rd Paving Project – this year we are submitting bids to repave Wolff Rd from the Railroad tracks near the school to Stieglar Rd. Bids go out March 4. Hot mix is the preferred paving method because of the truck traffic due to Wolff Brothers. We will also work on repairing the most pressing sections of road this summer.

Gold Star Army Monument – the vandalism damage from earlier last year has been repaired by Milano Monuments. It cannot be placed and set until the ground surface hardens and we get some good, warm weather.

LED Lighting – Replaced in Township Fire Complex, removed the ballasts and all bulbs are LED.

Ice Skating Rink – is open! It is the smaller of the ponds in the park which has a maximum depth of 2-3 feet. The larger pond is 13 feet deep. Weather permitting, skating is only allowed on the smaller of the two water features.

Historical Society – Requested to use the Town Hall for meetings during the winter months. Trustees asked Norm to relay permission granted from the trustees.

Park Parking Lot – Large holes at the park entrance were repaired by Greg Dobson using the grindings the township received last summer from the engineer's office. He repaired the holes, and backfilled using asphalt grinding. He also removed some of the berming from the storage lot and repaired Spieth Rd by the golf course maintenance garage.

State of Ohio Grant – We had extra money left from a State of Ohio Grant from the Department of Natural Resources that we used to purchase and plant 40 trees from Rusty Oak Nursery.

The township needs to hire another person for light maintenance.

RESOLUTION #20-02-02 Hire Chuck Reynolds for light maintenance for the township at the rate of \$11.00 per hour. Moved by Trustee Monroe, second by Trustee Pavlick . Roll: Monroe, yes; Pavlick, yes; Zieja, yes.

Todd Supeck submitted a letter of resignation from the zoning board. The trustees accepted his resignation and thanked him for his service.

RESOLUTION #20-02-03 Accept the Resignation of Todd Supeck from his position on the zoning board. Moved by Trustee Monroe, second by Trustee Pavlick . Roll: Monroe, yes; Pavlick, yes; Zieja, yes.

Erhart Rd. – A First Energy truck has been parking around Emerald Woods/Erhart Road. Trustee Monroe called and representative at First Energy will get back to us when she knows more.

Community Development Impact Strategy – Trustee Monroe went to a meeting and received good information about local grants available.

Fiscal Officer

Motion to Accept BWC Grant \$3,902.00 for Bullet Proof Vests and Helmets. Moved by Trustee Pavlick, second by Trustee Monroe. Roll: Monroe, yes; Pavlick, yes; Zieja, yes.

Thanked the township for sending her to the OTA Convention in Columbus, it is always an educational experience. Highlights were the grant writing seminar and the OPWC information session. Would love to talk with the trustees about having them submit for more free money for the township. Especially for roads and the park. OPWC has matching funds available up to \$150,000 for Green Space Construction/Renovation.

Tractor Supply request that we make a purchase before 7/30/20 to keep the account open.

Nexus – Received an email from The County Auditor. They included information from the Department of Taxation Public Utility Tax Section, including the original assessment value for Nexus, the original appealed values, and the new Nexus appealed values. It appears Nexus is asking for 52.8% reduction in original values. They were billed the total amount, the Schedule B's have the 1st appealed amount. They are responsible to pay what they feel they owe, as of 2/4/2020 the county auditor has received no payment. On 2/23/2020 Mary Beth Guenther at the Medina County Auditor sent out an email stating that while the Nexus is not resolved, they did tender payment representing 47% for the first half. We have no word from the state on a finalization of the appeal. Mary Beth will be adjusting our Schedule B down to reflect those changes. This adjustment will take place at the March Budget Commission meeting.

WEX Account – Minit Mart has become increasingly difficult to work with and trust their billing cycle. As members of Sourcewell's Cooperative Purchasing Organization we have the opportunity to subscribe to WEX Fuel. Utilizing this service our Fire Fleet, Tractor, and Ranger can be fueled at any gas station. Assistant Chief Jason Creamer assisted in organizing employee information to obtain cards for each vehicle with passcodes for each employee. Approval received from WEX for the Township effective 2/21/20. Cards were mailed and should be here in 7 – 10 business days. At that time we will swap out all current cards in each vehicle and move to the new system.

Vacation, Medical, and Opt out – Sent an email to the Prosecutor to find an answer to some questions regarding the vacation suspension allowable time. Vacation time approved by the trustees for 120 days, but in the contract implementation was scheduled for 90 days. This is industry standard, and was negotiated as part of the contract. 90 days is the official agreement. Dorothy did receive a call from a resident who called Rumpke who told her she could go on vacation for 8 months.

Medical forms- States a medical doctor must sign the form, and the resident affirms there is no neighbor, relative, friend, or person 12 or older WILLING to take their trash down to the road. With a Medical Exemption, trash must still be carried to within 100 feet from the end of the drive.

Opt-Out- Beth encourage the trustees to think about having the opt-out forms notarized in years 2-5. It helps with accountability. Business owners signatures are required if a resident wants to bring trash to their place of employment. It also protects the business owner who does not agree to receiving their employee's trash. Trustees are able to handle the opt-out any way they choose. On-line opt-outs are not required. Trustees can state dates and times opt-out forms can be brought to the township office and time stamped.

Residents had until January 31 to change service. If a resident missed that deadline, there is no fee to change service after an entire quarter billing cycle has passed, but there is a \$15.00 fee to pick/deliver a trash can for the new level of service.

Dorothy has received some calls where residents informed her they would be dropping off unwanted trashcans at the township office. Rumpke asks no one takes trash cans to the office. They need to call Rumpke who will issue a work order to remove. If this does happen, each can has a serial code associated with each address and the resident will be held responsible. Rumpke

owns all the carts. Delivery of cans will be starting the week of Monday February 24, 2020. Trash pick-up will commence on March 2, 2020.

Beth Biggens-Ramer will contact the auditor's office to find the process for certifying unpaid bills to the County Auditor for placement on property taxes if Rumpke sends delinquent accounts to the attention of the township.

2018-17 Audit. February 13, 2020 Fiscal Officer Russell met with 3 representatives from the Auditor of State to discuss the last audit. The official letter should be sent out within two weeks, the findings which can be discussed at a public meeting. Findings include 1. Having a deposit policy. One was approved early in 2018. 2. Discussion about mapping the Zoning Fund to the general fund in the future. Actually, this is no longer necessary as the zoning fund was depleted and moved into the general fund at the object code level. 3. Disaster Policy needed – Adopted 2019.

2019 Year End closed on February 17, 2020. Fiscal office Russell verified the Hinkle notes were uploaded to the Auditor of State website, and the Ohio Checkbook certification was completed for Fiscal Year 2019. A legal ad was placed in the Gazette, and Year End Records are available for inspection by appointment at the township office.

Motion to approve full year contract for Weed Pro 2020.

Public Comment regarding trash. Over 65 residents came to the meeting to express thoughts on the single hauler trash contract. A variety of concerns were expressed throughout the evening including:

1. Many residents did not agree with the way the trustees handled the situation. Communication from the township has been sparse. Many were not aware the change in service until trash cans were dropped off in their driveways. Some people felt it was unfair to their current provider, especially since they were happy with service. Some people have never had any form of trash service, handling all recycling, dumping and composting independent of any hauler. They were blindsided by the news they were now going to be forced to pay for trash. Having just recently found out they must pay for a service they do not utilize, they were doubly dismayed to find out that they had also missed the opportunity to opt out of service. This list filled within 48 hours of opening, and is enforced by contract at 6% of the households in York Township (6% currently = 100 residences.) Currently the waiting list has 48 names. Trustee Pavlick said a first class mailing from Rumpke was sent mid-December. If they had not been delivered, the mail would have been returned to Rumpke. No returns to date. However the Trustee Pavlick and Zieja agreed the letter from Rumpke did look like advertising, and may have been inadvertently discarded by many. Trustee Zieja acknowledged that more investigation and better communication could have prevented the discontent we are experiencing now. A letter from the Township Trustees mailed to every resident prior to the execution of the contract would have been very helpful in understanding the needs of the

population. A resident stated even a posting on the sign, a grassroots education process, door-to-door education or phone chain could have been methods to inform. ORC states all meetings must be advertised in a paper of local circulation. This is the only method required by the State of Ohio. All meetings were advertised as required, however, circulation of the Gazette is not widespread in the township. Trustee Pavlick reviewed the history of the process. In 2017, the trustees approved a waste district which allows them to start the bid process for a single hauler.. He had been approached by some constituents looking to reduce large truck traffic on our roads. York Township does not currently have a roads levy, and funding over the past several years was significantly cut. Recently some taxes have been enacted to try and recover some funding for roads, but we are playing catch up. Any effort to preserve road maintenance is helpful, even if it does not solve the problem entirely.

2. Residents complained of not being able to reach trustees by phone or email and receiving any response to their concerns. Dorothy has been inundated with calls to the township office. As we have an answering machine, if she had a current call, the phone would not ring through to leave a message. A resident pointed out the trustees should be ashamed of the stress they caused her. Many residents have come in person to the office and have spoken directly to Dorothy about the trash. She has recorded many, many pages of notes concerning the trash. Not all residents are unhappy once they find this contract will save them money over their current provider.
3. A resident commented the Fire and EMS would not come to her house on Stone if she called. Trustee Monroe stated if she called Fire and EMS would respond.
4. Residents are considering hiring an attorney to dispute the terms of the contract. Trustee Pavlick has spearheaded the trash campaign since its inception. We have worked closely with our legal advisors, the Medina County Prosecutor's Office, who wrote the contract. It is a legal and binding contract and Trustee Pavlick assured everyone he fully intends to honor the contract. All three trustees were unanimous in the decision to move to a single hauler. He does not feel the single hauler trash contract was a mistake. For a significant majority of the township, this contract saves money on their current service, increases accountability for service and provides an opportunity to recycle. When questioned about the discrepancy between opt out percentage and actual number of people wanting to opt out, he reminded people the prosecutor suggested and opt out should not even be offered. Other townships did not offer any opt out, some went with 3%. No other township came close to filling available opt-out numbers. Trustees felt doubling that number would still allow a fair bidding process for the trash hauler, and safeguard the residents. Residents were concerned. The wording from the letter containing information about signing up was ambiguous, and did not contain all the information necessary to be informed. Trustee Zieja stated he asked for additional information to be added to the letter, but it was denied. A resident inquired about vacant houses. Trustee Zieja stated he was informed by several residents about vacant houses, and they went on a vacant house list. Trash cans that were inadvertently dropped at vacant homes will be collected by Rumpke.
5. Residents brainstormed possible solutions to the trash situation. They offered solutions changing the rates to still save money for those who are happy to participate

and create more room for those wanting to opt-out. They understand Rumpke still deserves to make money. One resident stated he felt the trustees were trying to do a good turn for the township. They are not lawyers, and made mistakes. If they would be willing to try for an amendment with all parties, maybe this situation could improve. Trustee Zieja stated he would arrange a meeting with legal council, Rumpke, and Solid Waste to see if there are any contract amendments that might be possible to work towards a solution.

6. Residents contacting Rumpke report varying degrees of competency in dealing with customer service. Information coming from Rumpke concerning vacation, medical, bag service, and other questions is not consistent. Some callers were succinctly told that this was the new plan, and there was not a thing they could do about it. Trustee Zieja reported that Rumpke conveyed to him that their customer service department has been receiving personal bodily threats from residents, and threatening the destruction of Rumpke property and drivers.
7. Resident stated the website should offer more current information. In looking at zoning, minutes have not been updated for a year. Information on the Road's Levy is not on the website. Trustee Zieja stated it is because we are not allowed to use public funds to advertise for a levy.

A resident asked if there was a clean-up crew. He lives on Abbeyville, and the kids leaving the Career Center litter all the way down the road, filling the ditches. Trustee Pavlick stated the sheriff used to run a cleanup crew, but they have stopped that program. The scouts sometimes offer to clean up areas of the township, but here is no consistent plan.

Motion to Adjourn by Monroe, second by Pavlick. Roll: Monroe, yes; Pavlick, yes; Zieja, yes.
