Cemetery Headstone Cleaning and Restoration Volunteer Opportunity

York Township is looking for volunteers for a cemetery headstone cleaning and restoration project within our township cemeteries. Dates and times are to be determined.

Volunteers must be responsible, respectful and willing to volunteer their time. Having a love of history is always a bonus! There is no minimum or maximum requirement on the time spent on the project. Children ages 10+, who are willing to assist with the project are invited to volunteer as well. Minors must have a parent/guardian present at all times.

We will be using a product called D/2 Biological Solution, which is used on many historic monuments and throughout local cemeteries. Training, products, safety glasses, masks and gloves will be provided.

If you are interested in volunteering for this project or have any questions, please reach out to our Cemetery Sexton, Theresa at tm4petrey@yorktwp.org or 330-722-0185 x103.
